## 24th Annual Best of Basics Summer Program July 9-August 3, 2018

The Reading Center's 24th annual Best of Basics Summer program helps students in a way that a regular summer school program cannot. We welcome all students – those with learning and attention difficulties as well as those looking to prevent the summer slide. Our small group classes and 1:1 options focus on building skills using the multi-sensory, phonemic approach known as the Orton-Gillingham Approach.

### Early Childhood Classes - Reading Club for 4-6 year olds and a parent/caregiver

**Part 1: July 16-20 & Part 2: July 23-27 from 9:00am -10:00am or 10:15am - 11:15am**

- can take Part 1 and Part 2 if desired

Taken with a parent or caregiver. During each one week class parents will learn activities to strengthen and support the skills needed to read.
