

ORTON-GILLINGHAM TRAINING

JUNE 5 - 28, 2024

TAKE OGA TRAINING THIS SUMMER

Our Orton-Gillingham Training is designed to train teachers, educational therapists, parents and other interested persons in the evidence-based scientifically researched Orton-Gillingham Approach to teaching reading, spelling, and writing. We have developed our trainings over our 70-year history and have trained more than 2,000 people including many well-known practitioners in the field.

COURSE DETAILS

This is an intensive, graduate level course taken over 3.5 weeks. Prior to class, trainees must complete a prerequisite, 10 hour online course through OGA (fee is inclusive).

Course meets Monday-Friday from 8am-4:30pm in our Rochester, MN training room. Expect reading and other course assignments in the evening.

BENEFITS

Gain valuable background in the original science of reading approach to literacy instruction

Put new skills into practice with supervised student practicum during training

Orton-Gillingham is an ideal professional development opportunity for teachers in a reading interventionist position and/or a Tier 2/Tier 3 setting
